Correcting the record

EDITOR: Please be advised that I made an error in the letter regarding Petaluma Valley Hospital that you published (“Supports hospital operator,” Feb. 1). I would like you to print the correction in order to be fair.

Dr. Peter Leoni is currently serving as the General Surgery Section Chief at PVH. The original letter stated: “Dr. Peter Leoni is not the chief of surgery. In fact, Dr. Leoni holds no administrative or medical staff appointments at PVH.”

I apologize for the error.

Michael A. Johnson

Physician Administrative Director, PVH
