MISSION

The Mission of the Petaluma Health Care District is to improve the health and well-being of our community through leadership, advocacy, support, partnerships and education.

VISION

The Petaluma Health Care District envisions: A healthier community; A thriving hospital; Local access to comprehensive health and wellness services for all

The Board values public comments and wishes to convey that although Board members cannot discuss items that are not on the agenda, they listen carefully and appreciate and value input from the public.

There are two opportunities to address the Board during the Board meeting. The first opportunity is during **Public Comments** where the public is invited to make comments on items that are not listed on the current agenda. Public comments are limited to 3 minutes per person totaling no more than 15 minutes. If more than three persons wish to address the Board on the same topic, they are encouraged to select a spokesperson. The Board does not take action or discuss items not appearing on the agenda.

The second opportunity for public input is before the Board discusses and takes action on a specific Agenda item.

The Petaluma Health Care District is governed by a publicly elected five-member Board of Directors to serve Southern Sonoma County. Board of Directors meetings are held on the third Tuesday of each month from 12:00 noon to 3:00pm unless otherwise noticed. Copies of Agendas and approved minutes are available on the PHCD website, www.phcd.org
